## Del Ray Artisans' Grown-Ups Art Camp 2016

## **Call for Instructors**

Proposal Deadline: April 1, 2016

Seeking instructors for Del Ray Artisans' **Grown-Ups' Art Camp (GUAC)** activities from June 27 –July 15, 2016. We are looking for a diverse array of programs to be offered this summer. We wish to serve up visual art workshops (painting, photography, pen & ink, mixed media, digital, etc), crafts (knitting, crocheting, sewing and more), performing arts (music, dance techniques, improv, spoken word, etc), as well as artist development (journaling, writing an Artist Statement, how-to-frame, 'where to find inspiration', etc). We offer creative play, education and growth to experienced artists, as well as beginners and those non-artist types who just want to engage and explore in the arts. Think about the skills and knowledge you have. Think about what has helped you grow artistically. Think about what makes you feel like a kid at camp! People want to learn and experience what you have to share!

These workshops will follow DRA's standard workshop process:

- All workshops will take place at the gallery or on DRA property.
- Registration AND payment must be received in order to secure space in any workshop.
- All workshops will have a minimum and maximum student number identified.
- If a workshop does not have a minimum number of students registered (and paid) within 3 days of the workshop, the instructor will have the option to cancel.
- Participants will pay a <u>workshop fee PLUS</u> either pay a <u>supplies fee</u> or bring supplies for each workshop.
- Instructors will be paid 70% of the <u>workshop fee</u> received from students for that workshop and 100% of the <u>supplies fee</u> charged to students.

A note about supplies and fees				
To reduce confusion and inconsistency among all parties involved, it will be the responsibility of each instructor to purchase all necessary supplies for the				

To reduce confusion and inconsistency among all parties involved, it will be the responsibility of each instructor to purchase all necessary supplies for the students. Please come up with an appropriate supplies fee per student so that you can get fully reimbursed for your purchases. Upon registration, students will be charged this 'supplies fee' and you will get 100% of those fees back to you. If there is any reason you feel a strong need to have students bring something of their own, please inform us and we will discuss details.
