DEL RAY ARTISANS – CALL FOR ENTRY

ART²
at Del Ray Artisans Gallery

February 2 – 25, 2018

Entry Deadline: January 15, 2018 by Midnight

Curators: Sophia Suarez (slesuarez@gmail.com) and

Monica Hokeilen (HokeilenArt@gmail.com)

Creativity drives the mind to explore: it inspires the scientist to ask questions and search

for understanding; it leads the engineer to new solutions and inventions; it pushes the artist to new levels of expression. Mathematics has its own beauty (like Euler's identity), and principles of symmetry, geometry, and measurement are often used in creating beautiful artwork. As the scientist relies on creativity to explore, so too the artist uses science and technology. Anatomy informs the expression of human form, physics is used to find balance in 3-D installations, technology adds sound and motion in modern art, and so forth.

The *Art²* (Art Squared) exhibit explores the synergy of art with science, technology, engineering, and mathematics (STEM). Possible math/art topics include systems of proportion, Golden Ratio and its connection to Fibonacci numbers, classifying different symmetries, geometry, Tessellations, shapes, and fractals. Additionally, artists that use and/or are inspired by astronomy, biology, chemistry, ecology, engineering, geology, meteorology, physics, and technology, whether explicitly or abstractly, are encouraged to participate. This show will include hands-on workshops to engage STEM-interested public of all ages, and overlaps with National Engineering Week, February 18-24, 2018.

Entry to this exhibit is by online submission. Art may be two- or three-dimensional, and in any medium. No strict size limits, but please be considerate of other artists and the physical limits of the gallery before entering oversized pieces. Oversized pieces of merit will be accepted if space permits. **Art should be ready to hang or display with wire and screw eyes, mounting and/or display stand, framed, matted, or with edges finished. We cannot show work that is not ready for exhibition.** See DelRayArtisans.org/exhibits/art-guidelines for additional details. An example of a professionally framed artwork is located at the end of this section. If your artwork hanging system varies greatly from the example, contact the curators.
