

## Life Drawing Workshop: Gesture Drawing

**When:** February 16<sup>th</sup>  
6:30-9:30 pm

**Where:** Del Ray Artisans gallery

Still looking for ways to get the most out of those short poses? During this workshop instructor Robin Croft will offer exercises and commentary intended to encourage a loose gestural approach to drawing the figure.

Bring a LARGE paper or newsprint pad and one or more of the following: red or black Conte; stick charcoal; woodless pencils; chalk pastel; brush and India ink.

Robin Croft was recently featured in the Richmond Times Dispatch article "Turning Nature's Debris Into Works of Art" by Andy Thompson for his and a collaborator's 30 ft. long "Shipwreck, APR," an interpretation of Albert Pinkham Ryder's paintings of storm tossed ships at sea. Visit his website ([www.rlcroft.com](http://www.rlcroft.com)) to view photographs of this moody drawing made of sticks, limbs and logs resting in Pony Pasture Park on the banks of the James River.

Fees are \$15 for DRA members, \$18 for non-members. Space is limited and pre-registration is required. Register by Sunday, February 13<sup>th</sup> either at the gallery or online at [www.thedelrayartisans.org](http://www.thedelrayartisans.org). For more information contact Katherine Rand at 703-836-1468 or [DRA.LifeDrawing@gmail.com](mailto:DRA.LifeDrawing@gmail.com).
